

Student Name:			
Calculation Exercises - A			
Exercise Name or Number:			
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
What is total surface to bit strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
What is bottom up to casing strokes?			stks
What is bottom up to surface strokes?			stks
Exercise Name or Number:			
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
What is total surface to bit strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
What is bottom up to casing strokes?			stks
What is bottom up to surface strokes?			stks
Exercise Name or Number:			
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
What is total surface to bit strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
What is bottom up to casing strokes?			stks
What is bottom up to surface strokes?			stks

Student Name: _____			
Calculation Exercises - B			
Exercise Name or Number:			
What is total surface to bit strokes?			stks
What is bottom up to surface strokes?			stks
What is bottom up to casing strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
Exercise Name or Number:			
What is total surface to bit strokes?			stks
What is bottom up to surface strokes?			stks
What is bottom up to casing strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
Exercise Name or Number:			
What is total surface to bit strokes?			stks
What is bottom up to surface strokes?			stks
What is bottom up to casing strokes?			stks
Kill weight mud (KWM)?			ppg
Initial circulating pressure (ICP)?			psi
Final circulating pressure (FCP)?			psi
MAASP after the well is killed?			psi
Maximum allowable mud weight before kick (MAMW)?			ppg
Maximum allowable annular surface pressure before a kick (MAASP)?			psi
Pressure drop per tenth of strokes surface to bit?			psi
What is the pressure drop per 100 strokes surface to bit?			psi
