This example of available coverages and limits is not a contract, binder, or recommendation of coverage. The Quote offered by State Farm assumes the coverage amount offered by State Farm equals the estimated replacement cost of your dwelling. Higher limits are available at a higher premium. If information used for rating changes or different rates are effective at the time of policy issuance, this rate quote may be revised. All coverages are subject to the terms and conditions contained in the policy and endorsements. You must choose your limits and coverages.
